MARKET SOUNDING

MARKET SOUNDING FOR THE DEVELOPMENT OF THE NORTH FACILITY IN THE PORT OF PARAMARIBO, SURINAME

The purpose of this letter is to seek interested partners for the development of activities at the North Facility, which is adjacent to the existing Dr. Jules Sedney Terminal. In this context a market sounding document has been produced that is available on our website “www.havenbeheer.com”.

The scope of this document is to discover the potential business opportunities that could be developed in the North Facility.

N.V. Havenbeheer Suriname therefore kindly invites interested firms to indicate the type of activities they would wish to develop in the North Facility including their cargo generating potential per month.

This market sounding is not part of an official procurement procedure. It is merely intended for N.V. Havenbeheer Suriname to get a view on the potential of the Northern Facility. The gathered information will be used by NV Havenbeheer Suriname to determine the specifics for the future development of the North Facility. In the next step specific firms will be invited to submit their proposal including a detailed business case.

The interested firms are requested to submit the following information for the market sounding:

- Draft Business case to provide insights into the activities that the North Facility will be used for including :
 - Potential use of the quay side
 - Traffic forecast of the potential activities
 - General overview of the use of the North Facility
- Commercial presentation of the firm
- Contact details of the representatives of the firm
- Links to relevant websites, documents, brochures etc.
- References of similar activities
- Acquired certifications or accreditations of the firm

Interested companies are invited to submit the documentation needed for this market sounding until 15/07/2022 24:00 h to the following email address :

marketing@havenbeheer.sr.
